

Value Line Tubing (3-A)

Top Line maintains a large inventory of welded stainless steel tubing to meet your immediate needs. Our warehouse is able to quickly ship tubing in lengths up to 20'. Each tubing order is processed promptly and packaged in tri-wall corrugated cartons equipped with wooded ends to protect each piece from damage.

Applications which require only the finest in tubing, with close adherence to tolerances, readily prefer tubing from Top Line. We pride ourselves on providing the finest tubing at a competitive price. Tubing types 304 and 316L SS are available in sizes from 1/2" OD - 8" OD produced to ASTM specifications A249, A269, or A270. Pharmaceutical grade tubing is also available. Go to topln.com/bpetubing for details.

Top Line is a leading supplier of sanitary stainless steel process equipment. Serving the food, beverage, dairy, pharmaceutical, biotechnological and personal care industries. For over 50 years we've provided our customers with exceptional customer service and quality products. We are committed to meeting the fastest delivery, new product development and application engineering to meet all our customer's needs with our extensive inventory and expert sales team.

Top Line specializes in stainless steel materials – type 304 and 316L. Our modern, well equipped manufacturing facilities are staffed by skilled and dedicated craftsmen. Consistently meeting important tolerances and finish specifications is of primary concern to us. Before any products leave our plant they are subjected to rigid quality assurance checks.

Top Line should always be considered your first choice for both standard and custom fabricated stainless steel products.

Limited Warranty

Top Line Process Equipment Company products are warranted to be free of defects in material or workmanship for a period of one year from date of shipment. Warranty covers those Top Line products used in an approved installation and maintained in strict accordance with recognized standard industry practice. If, after properly authorized return, Top Line determines that products are defective, Top Line may at its option, repair or replace such defective products.

Top Line shall not be liable for consequential, indirect or incidental damages. The above warranty is in lieu of all other warranties, expressed or implied.
